Abstract/Outline of your presentation (attach separate page if needed):

Length of Presentation (please allow 15 minutes for audience questions):

- 60 min. 90 min. 120 min. Other: _____

Every effort is made to accommodate speaker preferences in terms of when they're scheduled to present. If you would be prevented from speaking due to a schedule conflict, please indicate your availability below. You may make multiple selections.

Audio/Visual is set up on site in advance of conference. We kindly request a final version of your presentation be shared in advance. This allows us to make an electronic copy available to attendees. In addition, it expedites the set-up process and reduces wait time between speakers. Should you be unable to send a finalized version in advance, we can upload it from a thumb drive immediately beforehand. A projector, screen, microphone, podium, and a laptop will be available. Please indicate below if you require additional materials for your presentation (i.e. presentation board, TV, etc.)
